There is never a dull moment in an inventor's workshop, so why not bring your kids to Nativity's **Shipwrecked VBS** this summer for an experience they will not forget!

We will hear about God as the Divine creator and the many ways that we reflect that in our own lives. We will enjoy games, prayer time, fun snacks, great arts and crafts, songs, skits and more.

We work hard each year to keep the cost of Vacation Bible School low and so we ask that each family help by contributing a snack food. These ingredients will be used to make some of our fun and inventive snacks! Please check out the list and plan to drop these off on Monday morning!
